Accreditation

ASPS is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The 10th Annual ASPS Surgical Conference is approved for 15 continuing education contact hours (CECH).

EDUCATIONAL MISSION STATEMENT

The educational mission of the American Society of Podiatric Surgeons is to purposefully advance the understanding of technology, techniques, and procedures related to podiatric surgery with a goal to improve provider knowledge and patient outcomes by offering the highest quality of didactic and clinical learning experiences for members and non-members and shall include a variety of instructional methods to improve patient care, treatment protocols, and practice efficiency. Educational programs may include interactive adult learning methods and principles utilizing didactic presentations, panel discussions, debates, case studies, question and answer, round table discussions, videos, hands-on workshops, and cadaver labs to achieve a well-rounded portfolio of educational opportunities

TARGET AUDIENCE

The intended audience of the Annual ASPS Surgical Conference is Podiatrists, Podiatric Residents, and Podiatric Students, and health professionals with an interest in advancing their knowledge of foot and ankle surgery.

LEARNING OBJECTIVES

- Utilize and explain the benefits of surgical application in everyday practice.
- Assess ethical and proper use of foot and ankle surgery as a means of patient improvement.
- Discuss the history of surgical intervention and review training and techniques for daily practice.

LEARNING METHODS

- Didactic Lectures
- Hands-On Workshops
- Panel Discussions
- Case Studies/Case-Based Presentations
- Point/Counterpoint Discussions

CERTIFICATE INSTRUCTIONS

Physical (paper) accreditation certificates will not be issued at this event. Participants will receive an email within ten (10) business days after the meeting with a link to complete the required evaluation. CECH certificates will be emailed immediately upon completion of the evaluation.

Each registrant is responsible for reporting attendance to all appropriate boards and agencies requiring continuing education. Credits may be registered with state boards by providing a copy of your CECH certificate.

We're Always Moving Podiatry Forward

“ABPM stands by our board certification, and by each and every one of our Diplomates who earn it. We know that having our board certification means being the best of the best. We’re proud of everything our Diplomates do, and when we fight for them, everyone wins.” - Adam R. Johnson, DPM, President, ABPM
